One or two pupils from the GSC will be linked to each faculty area within the school.

They will attend one faculty meeting per term (approximately ten minutes) and discuss how faculties can implement any matters arising in the GSC meetings.

Teaching

A small group of pupils who meet with CC/SAJ to discuss any ideas, issues, feedback and results from the 'PV Feedback Friday' sessions, with a view to improve aspects of teaching and learning across the whole school.

**Young Minds
Wellbeing group**

A small group of pupils who meet with other pupils to discuss any worries they might have. To organise 'drop in' meetings once a month where they are a 'friendly face' to all pupils within school.

A small group of pupils who promote LGBTQ +. To express concerns and report issues without judgement.

Business Group

**(Finance /
Health and Safety /

They will be involved in planning whole school action plans, environmental school audits and carrying out initiatives in order to work towards green flag status.

**Student

**Their role is to help with interviews,
open evenings and attend any
appropriate whole school events.**

Their role is to be the voice about any PE related topics with a view to improve the pupils experiences in PE.
