Leader of policy	Deputy Headteacher

Introduction

WCBC is committed to ensuring that regular attendance at school is a priority which will in turn provide pupils with the best possible chances in life to succeed and to achieve their goals.

This attendance policy is intended to set out an over-arching statement of appropriate protocols and practices relating to the management of and promotion of school attendance in Wrexham.

This policy template should be read alongside the Wrexham CBC School's Attendance Guidance document which details strategies to improve attendance and contains all template attendance letters. All appendices are included in the guidance document.

Legal Framework

The law outlining attendance is:

The Education Act 1996 which places a legal obligation on:

- the local authority to provide and enforce attendance.
- school to register attendance and notify the local authority of a child's absence.

Section 7 of the above act states that:

'The parent of every child of compulsory school age shall cause him/her to receive efficient, full time education suitable to his/her age, aptitude and ability and to any special educational needs he/she may have either by regular attendance at school or otherwise'.

Section 444 further states that:

'The parent of a child of compulsory school age registered at school and failing to attend regularly is guilty of an offence punishable in law'.

School Attendance Orders (SAO):

Under the Education Act 1996 section 437- 443 a School Attendance Order applies when a parent of compulsory school age fails to prove that the child is receiving a suitable education and where the authority believes the child should attend school. A School Attendance Order may be used to direct a parent to send their child to a specified school, and should be used when a pupil is not on roll at any school.

The Education (Penalty Notice) Wales Regulations 2013:

This legislation came into force in September 2014 and has given local authorities new powers to issue fixed penalty notices (FPN). A code of conduct has been agreed by Wrexham County Borough Council on the issuing of the FPN which allows Head Teachers to apply for a £60 FPN when they have recorded.

- Minimum of 10 unauthorised absences in the current term which do not have to be consecutive.
- Minimum of 10 sessions of lateness after the close of registration.
- Parents/carers who chose to take their children out of school on holiday during term time without authorisation from the Head teacher for a minimum of 10 unauthorised sessions.
- Pupil regularly coming into contact with the North Wales Police or other partners during school hours without a justified reason and where absence is recorded as unauthorised.
- Parents/carers failing to engage with school/ESW but where prosecution has not been instigated.

The Head Teacher will inform the parent by letter that a request for a fixed penalty notice will be completed and sent to the Education Lead (Formerly Education Social Worker Team Manager) for the local authority. The Education Lead will consider the request, taking into account levels of absence, level of parental

engagement, any equality implications, history of attendance and also any statement of special educational needs before issuing a FPN of £60.

A penalty notice is £60 if paid within 28 days in receipt of the notice, increasing to £120 if not paid within 28 days. If payment is not received by 42 days then the local authority can prosecute parents for the child's absence.

Registers may be needed in a court of law if deemed appropriate.

Schools Information Management System (SIMS) is used in all schools across WCBC to record all pupils' attendance.

By the end of the school week the schools overall attendance registers will be completed and an overall attendance figure will be calculated by the school.

Types of absences

It is important for parents to understand the definition of the different types of absences. Absences may be classed as either unauthorised absence or authorised absence.

The schools Head Teacher is the only person that should decide on whether an absence should be classed in either one of these categories, parents cannot.

Absences may be authorised for the following reasons:

- Illness.
- Religious observance.
- Medical/Dental appointments during school hours.
- Fixed term and permanent exclusions.
- Holiday agreed by the Head Teacher.

Examples of what are classified as unauthorised absence are the following, however they are not limited: Absences may be unauthorised for the following reasons:

- Truancy.
- Late after the close of registration.
- Staying at home for no reason – condoned absence.
- Going shopping.
- Birthdays.
- Holiday not agreed by the Head Teacher.

In addition there are several codes classed as a present mark which include the following:

- Late before the close of register.
- Educated off site, pupils attending vocational courses at college/pupils attending alternative provision agreed by school.
- Sporting activity.
- Educational visit.

- Traveller absence.
- Interview.
- Work experience.
- Where pupils are on roll at school and also at another education establishment.

Appendix 1 details a breakdown of codes set by Welsh Government.

Punctuality

Punctuality is a legal requirement and pupils must attend on time. A Fixed Penalty Notice or a Prosecution can be sought in cases where persistent lateness after registers have closed are recorded as an unauthorised absence. Persistent lateness has a detrimental effect on a child's learning and also disrupts other pupils within the class and throughout the school.

Those parents of pupils who are persistently late will be contacted by the Class Teacher/Head of Year/Senior Management Team. All pupils who are late must sign the 'late book' in school or the lateness must be recorded on SIMS by school staff and the pupil must enter through the main doors of the school.

Medical absences

Where a child is continually absent from school on the grounds of medical reasons, it will be required for the parent to provide medical evidence (e.g. certificate or letter from recognised medical service) to school. This will be initiated by the school and the ESW which will result in the pupil and family receiving the appropriate support to assist and to ensure the pupil is attending school regularly. A referral may be made to the Community Paediatrician for assessment in cases of persistent absences due to illness or medical issues. There may be times where a reintegration / Attendance Improvement Plan may be necessary which will be a partnership agreement between the family, pupil, ESW service and school.

Holidays during term time

Parents do not have an automatic right to withdraw pupils from school during the school term for a holiday. Under the Education (pupil registration) (Wales) Regulations 2010, Head Teachers have discretion to authorise a holiday of up to 10 days during term time, more than 10 days can only be authorised in exceptional circumstances.

The Local Authority recommends that no holidays are authorised in term time unless for exceptional circumstances.

All requests for holidays must be completed on the schools holiday request form and completed by the parents/guardians. (See Appendix 2 for model form).

The Head Teacher will make the decision and may include the following contributory factors:

- Time of year.
- Length of time.
- Overall percentage of attendance.
- Impact on the child's learning.
- Whether the holiday meets the criteria for an exceptional circumstance and adequate proof has been provided.

Criteria for Exceptional Circumstances

- Where it is company/organisational policy for an employee to take leave at a specified time in the year and there is no opportunity for a family holiday in school holidays. This must be supported by documentation from the organisation.
- Service personnel returning from/scheduled to embark upon a tour of duty abroad.
- To attend religious festivals or services such as the wedding or funeral of an immediate family member. Proof may be requested
- Other compassionate circumstances e.g. family illness or family crisis. Proof may be requested.
- Where a holiday is recommended as part of a parent or child's rehabilitation from a medical or emotional issues. Evidence must be provided from a qualified professional such as a doctor.
- Where there are other factors which the Head teacher may consider exceptional circumstances, this may be referred to the Local Authority for advice.
- It should be noted that financial consideration are not deemed exceptional circumstances.

School procedures

Parents are expected to contact school on the first day of absence and to provide reasons for their child's absence. This will then need to be followed up by an explanation note that should be handed into the class teacher/form tutor and which will be kept on record by school.

If parents fail to notify school, then the school will make every effort to contact the parents and also other persons listed as a point of contact. The absence will be recorded as unauthorised if no reason for the absence is provided within two weeks. Failure to receive any contact on the third day of absence may result in the involvement of the ESW Service.

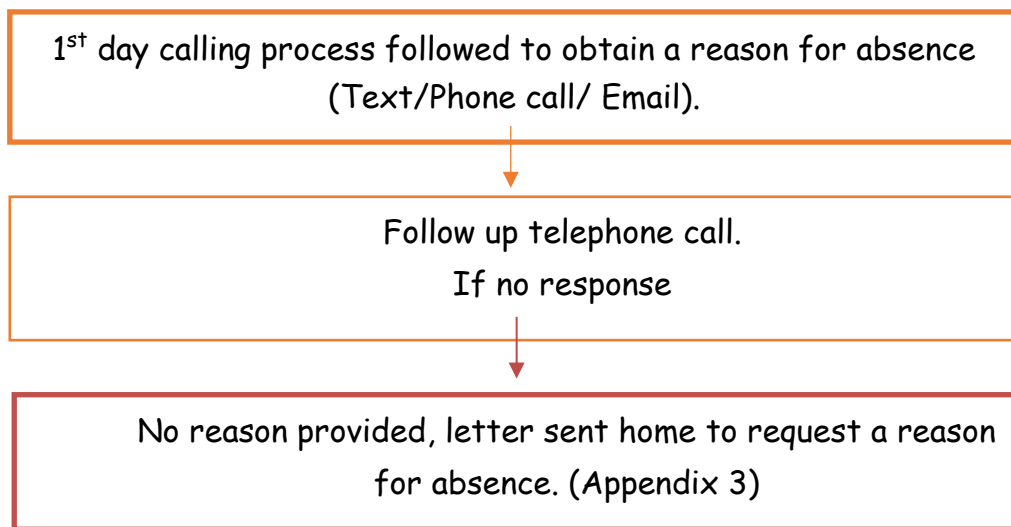

Children Missing Education

Schools have a duty to safeguard all pupils. The Education & Inspections Act 2006, requires the Local Authority to make arrangements to enable them to establish the identities of children residing within WCBC who are not receiving an education. For example these may be pupils who have not attended school for an excessive amount of time without any contact or reason for the absence. The duty lies with the Local Authority to investigate further. The Common Transfer File will be sent to the forwarding school once they have been notified.

Pupils should not be removed from the school register until the pupil has been admitted to another school/ PRU or until the CME document has been completed and recorded by the LA.
